Laugh, the world laughs with you, cry, you cry alone.
.....

Scene one – Year 5 classroom

1. **Where are captain Eco and Mrs. Smith standing?**

Captain Eco and Mrs. Smith are standing in front of a classroom full of students.

2. **What is captain Eco?**

Captain Eco is the Defender of planet Earth.

3. **Why is Mrs. Smith inviting captain Eco?**

Mrs. Smith is inviting captain Eco to talk to her class about his fight to protect the world against polluters.

4. **Why did Mrs. Smith say that Danny is a cheeky boy and a rude one?**

Mrs. Smith said that Danny is a cheeky boy when he told captain Eco that his mask and cape are silly. Mrs. Smith told Danny that he is a rude boy because he told captain Eco that he wears a mask because he is ugly.

5. **Why does captain Eco wear cape and a mask?**

Captain Eco wears a fireproof cape to protect him from spilled chemicals, and the mask is to hide his real identity or his family and friends would be in danger if the polluters knew who he was.

Scene two – The School Playground

1. **Who is Amy?**

Amy is Danny's twin sister.

2. **What is Amy going to be when she grows up?**

Amy is going to be an environmental scientist when she grows up to help defend the planet just like captain Eco.

3. **How was Captain Eco when he was Danny's age?**

When captain Eco was Danny's age he was exactly the same as him. He was as Danny a naughty boy.

4. **Why will Captain Eco call Danny's and Amy's parents?**
Captain Eco will call Danny's and Amy's parents to ask them to let him take Danny and Amy after school to help him with some of his work.

Scene Three. Captain Eco's office.

1. **What was captain Eco discussing with Danny and Amy?**
Captain Eco was discussing the problem of dumping industrial waste up in the mountains.
2. **Why is dumping the industrial waste there bad?**
Dumping the industrial waste up in the mountains is bad, because the waste will get washed into the streams, which then flow into the big river where people get the drinking water and could kill the fish as well.
3. **Why has Captain Eco collected water samples along the river?**
Captain Eco has collected water samples along the river to help him work out exactly where the industrial waste is being dumped and how dangerous it is.
4. **Why does Danny sit down in front of the computer?**
Captain Eco asked Danny to sit down in front of the computer to type the numbers that captain Eco reads out to him, into the computer.

Scene four – In the forest

1. **What were Greasy Joe and Smelly Sam doing with the big dirty barrels? Why?**
Greasy Joe and Smelly Sam were dumping the stuff into the stream. They did so because it is a lot cheaper than taking the stuff to the recycling depot. That's why they open the barrels and tip them on their sides.

Scene five – Five Captain Eco's office

1. **Why did captain Eco look worried when he looked at the computer screen?**
Captain Eco looked worried when he looked at the computer screen because he knew that the material they are dumping into the river is dangerous and smells bad like a rotten fish.

2. Why is it hard to catch the polluters?

It is hard to catch the polluters because they never dump the waste in the same place twice.

3. Does Captain Eco have any super power?

Captain Eco doesn't have any super powers. But the polluters don't know that. Captain Eco has only a degree in Environmental Science and good assistants.

Scene Six – A bus stop

1. What were Greasy Joe and Smelly Sam doing when they were waiting for the bus?

Greasy Joe and Smelly sam were scratching themselves. They have red marks on their hands and their faces.

2. Why did Danny think that Joe and sam are the polluters?

Danny thought that Joe and sam are the polluters because of the bad smell that was coming from them like the Rotten fish and they looked stupid and had rashes all over them.

3. Why did Danny and Amy listen to Joe and sam?

Danny and Amy listened to Joe and sam to find out where they are going.

4. What did Danny and Amy hear from Joe and Sam?

Danny and Amy heard that Joe and Sam were going to Gordon Grotty's office at Greedee Corporation. He was the one who is paying them to dump the waste up the mountain.

Scene Seven – Captain Eco's office

1. What was the imporeant news that captain Eco hold Danny and Amy?

Captain Eco had some important news for Danny and Amy. He had found out the name of the polluter 'Greedee Corporation'

2. **What did Amy and Danny tell captain Eco about the two polluters?**
Amy and Danny told captain Eco that polluters kept scratching themselves and they had bad rashes and they smelt like rotten fish and were really stupid.
3. **Why was it difficult to arrest Gordon Grotty, the boss at Greedee corporation?**
It was difficult to arrest Gordon Grotty, the boss at Greedee corporation because captain Eco had never been able to get enough evidence to catch him.
4. **What did Captain Eco tell Amy and Danny about Gordon Grotty?**
Captain Eco told Danny and Amy that Gordon Grotty was a real neat freak. It drove him crazy if things were messy, Hehutes bad smells, they make him sneeze.

Scene Eight – Gordon Grotty's office

1. **What does the Greedee Corporation advertising say?**
The Greedee Corporation advertising says "we are green and clean"
2. **Who was Gordon Grotty waiting for? Why?**
Gordon Grotty was waiting for Captain Eco and two school kids, Amy and Danny to see him for some school project they are doing.
3. **What was Captain Eco's plan to meet Mr. Gordon Grotty?**
Captain Eco's plan to meet Mr. Gordon Grotty was to tell him that Danny and Amy were doing a school assignment on how companies get rid of their dangerous waste and of the chose Greedee Corporation because it was one of the most environmentally responsible companies.
4. **What did Amy and Danny do deliberately at Mr Gordon Grotty's office?**
Danny and Amy, deliberately put out lots of books and bits of paper, pencil shaving, and other junk which fell all over the floor. Danny and Amy tipped out everything in their bags on purpose.

5. **What did captain Eco do to make Mr. Grodon Grotty confess to dumping waste up in the mountains?**

In order to make Mr. Gordon Grotty confess to dumping waste up in the mountains, he stock some disgusting liquids under Mr. Gordon Grotty's nose and made him smell another jar full of rotten fish and rotten eggs.

Scene Nine - In the forest

1. **Why were Greasy Joe and smelly Sam sure that captain Eco had super power?**

Greasy Joe and Smelly Same were sure that captain Eco had super powers because he found them when they were busy emptying barrels of waste captain Eco caught them.

Scene ten – Captain Eco's office

1. **Why didn't Captain Eco have to wear a nose peg in Gordon Grotty's office?**

Captain Eco didn't have to wear a nose peg in Gordon Grotty's office because he didn't have any sense of smell. He couldn't smell anything.
